Bob Jackson, Chair

Bob Jackson, Chair for the Lakes Committee for the Town of Plum Lake, and Sharon Brooker, Clerk/Treasurer for the Town of Plum Lake do hereby certify that this meeting notice has been duly made and posted at the Plum Lake Town Hall in Sayner and at the Sayner US Post office this day of May, 2022 and posted on the Town of Plum Lake website at www.townofplumlake.com

The mission of the Lakes Committee for the Town of Plum Lake is to protect the Lakes in the Town of Plum Lake from Aquatic Invasive Species that are currently in our town lakes, and those that pose a threat to us. We will do this through monitoring our town lakes, providing education, and creating public awareness. We will work with the Town of Plum Lake's Town Board, state government, community, and lake property owners to obtain funds and to seek other assistance needed to keep our lakes clean for now and the future.
